

Corona Update - 3/24

During this unprecedented crisis, we remain committed to servicing your mail-forwarding and vehicle registration needs. We are taking steps to right-size the office that will require patience and understanding.

Effective immediately our **lobby hours are reduced to APPOINTMENT ONLY**. If you want to pick up your mail or transact other business please call 605-334-5313.

If you call or email, rest assured we will respond as quickly as possible, however, you can expect possible delayed responses.

The South Dakota State DMV office is temporarily closed through March 30 meaning people will be unable to receive driver's licenses so please plan according. When the DMV reopens, we will notify you.

The Minnehaha County Treasurer's Office (MCTO) is currently closed to public business. We, however, are able to process new vehicle registrations and renewals. This process may take longer than normal so please plan accordingly. At this time, the USPS, UPS, and FedEx operations have been designated by the governor's offices, as in all 50 states, as critical infrastructure. As a commercial mail receiving agency (CMRA), we fall under this same designation.
